

CAPABILITY STATEMENT

Providing managed cyber security and
strategic consulting services across enterprise
& industrial digital environments.

REVOLUTIONARY THINKING,
EVOLUTIONARY PARTNERSHIPS.

riotsolutions.com.au

RIOT, YOUR DIGITAL EVOLUTION PARTNER

With technology being integrated into every aspect of your business, it is time to consider your company's security position. The digital environment's pervasive nature connecting us to customers and integrated IoT, people now have more access to multiple platforms, anywhere, any time.

As a result, your business is more susceptible to security weaknesses and the threat actors who attempt to exploit and leverage access to your environment and data.

At RIOT, we believe that being local is paramount in delivering evolutionary outcomes. As a national provider of managed cyber security services across IT and OT environments, we differentiate ourselves by offering customers access to experts in the network and security domains.

WHAT WE STAND FOR

- ✓ **TRUST EACH OTHER** – Rely on each other's intelligence and abilities to revolutionise outcomes.
- ✓ **NO KNUCKLEHEADS** – We engage no-nonsense people and partners.
- ✓ **BE HUMBLE** – Quietly successful, pride in our work, learning and teaching along the way.
- ✓ **BE BRAVE** – Take the initiative to be evolutionary, be decisive on doing the right thing.

EDUCATION

Universities & TAFE

HOW WE CAN HELP YOU

RIOT can deliver intelligent, revolutionary outcomes across your entire network, cloud, and security infrastructure.

MANAGED SERVICES

Maintaining secure operational integrity is critical in today's digitally connected world. It only takes one incident to cause significant financial loss, reputational damage and put business continuity at risk. Our Managed Services include:

- Managed Detection & Response (MDR)
- Endpoint Security Services
- Managed ICS/OT Asset Visibility
- Vulnerability Management

CYBER SECURITY SERVICES

Our cyber security services cover all areas of security and risk assessments for enterprise-grade networks and critical infrastructure, including potentially fragile network-connected systems such as real-time SCADA and other devices. Our Cyber Security Services include:

- Penetration Testing
- Threat & Risk Assessment
- Attack Simulation

TECHNICAL SERVICES

RIOT possesses multi-domain capabilities across network, cloud, and security infrastructure with a wide range of skills, certifications, and subject matter expertise to solve industry-specific challenges of complex environments. Our Technical Services include:

- Technical Architecture, Design & Advisory
- Validation & Verification
- Implementation Services

CRITICAL INFRASTRUCTURE

With a wealth of industrial knowledge tailored specifically to critical infrastructure, RIOT understands the challenges and demands of building world-class smart and connected networks and offer a range of services to meet your digital technology needs. Our Critical Infrastructure Services Include:

- ICS/OT Cyber Security
- Industrial Network Design
- Managed Asset Visibility

VALIDPRO™

A RIOT PRODUCT

Our ValidPro™ service resolves the traditional challenges most businesses face when obtaining a quote for product acquisition. A first-class estimating and quotation service, ValidPro™ is designed to help you validate any procurement quote taken from other vendors in a matter of hours. Key benefits include:

- Transparency of discounts
- Best price available
- 24-hour response

REVOLUTIONARY THINKING, EVOLUTIONARY PARTNERSHIPS.

We are a multi-disciplinary team of innovative thinkers who use a no-nonsense approach to always find the right network security solution for your business, which means playing chess, not checkers to achieve the right outcomes.

TECHNOLOGY AND PEOPLE

Our strong customer relationships stem from a commitment to always advise on fit for purpose technology, and doing right by our customers.

ACCURATE AND PROACTIVE

We deliver real-time alerts and reports to help you achieve proactive transformation and monitoring to mitigate issues in alignment with attack surface management to maintain business-as-usual across your digital environment.

STRATEGIC PARTNERSHIPS

Through our strong business and vendor partnerships, we have the breadth of knowledge and expertise to help you deal with any scenario as soon as it happens. We provide you with the expertise and flexibility to get the results you need through a strategic approach.

LET THE REVOLUTION BEGIN
